

Bridging Art & Science through Patricia Laspino's Art of Awareness

Event Date:

Thu, Apr 10, 2014

Patricia Laspino, Artist & Founder of the Orchid Alliance Project-Bridging Art & Science

Andrew Laspino, President & Co-Founder of the Orchid Alliance Project-Bridging Art & Science

Professional artist, Patricia Laspino's thirty-five year career has been inspired by the beauty and diversity of the natural world and its power to influence art and culture. Join her as she discusses her painting style and use of the orchid as a metaphor in her work to explore cultural and biological evolution, biodiversity and environmental stewardship.

Weaving together two disciplines, art and science, along with scientific inquiry and collaboration, the Laspino's provide fresh perspectives on the interconnectedness of humanity and the natural world by discussing their project, the Orchid Alliance Project-Bridging Art & Science. Patricia will also speak about her two new paintings, the "Michelle Obama Orchid" and the "Ports of Paradise Orchid" and their significance.

Date: Thursday, April 10

Time: 6:30 p.m. to 8 p.m.

Location: Conservatory Classroom
